Application for internship [AYUSH KUMAR]

Dear HR Team,

I am writing to express my enthusiastic interest in the developer role position, as advertised on LinkedIn and Company Website. Having closely followed TCS 's innovative work in software , I am eager to contribute my skills and learn from your leading team.

As a dedicated student in computer science at Rungta international skills university , I have developed a strong foundation in data analysis , project management, C , HTML , CSS, and JAVASCRIPT . I am particularly drawn to this opportunity because I admire your innovative approach to the developer role. This role aligns perfectly with my passion and I'm eager to contribute while learning from a team of professionals. I am confident that my strong work ethic and passion for software engineering align well with the goals of your team.

My resume, which is attached for your review, provides further detail on my academic background and relevant projects. I am available for an interview at your earliest convenience and look forward to the possibility of discussing how I can add value to [TCS].

Thank you for your time and consideration.

Sincerely,

name -Ayush kumar
